Best meditation music with nature sounds. Sleep meditation music with nature sounds. Meditation music with nature sounds mp3. Green relaxation meditation music with nature sounds.

Check out **Sound Opinions**, **Photo Courtesy: Sound Opinions** The show features rock critics Greg Kot and Jim DeRogatis who not only interview artists but also weigh in on. Whether you're into reviews, or just want to stay on top of the latest music news, **Sound Opinions** has a little bit of everything.**Bandsplain**Some bands just have that unexplainable magic that attracts a cult-like following. Hosted by Tyler Mahan Coe, who you may or may not recognize as the son of the outlaw-country legend, David Allan Coe, Cocaine and Rhinestones isn't just about country music. If you've ever wanted to understand what makes your favorite creative tick, then these (often philosophical) discussions will captivate you. Best of all, **Folds** invites each of his guests to collaborate with him on a song, which he plays at the end of their episode.Cocaine and RhinestonesIf country music is your jam, do yourself a favor and subscribe to Cocaine and Rhinestones. While many of his guests are musicians, **Folds** casts a wide net, chatting with folks from the worlds of art, silence and public policy. **Photo Courtesy: BenFoldsTV/YouTube** The goal of the podcast? more than deserves a spot in your podcast queue.**Photo Courtesy: Jeff Kravitz/FilmMagic** for Clusterfest/Getty Images "[The podcast] sounds like an absurd bit of niche normcore satire, two white celebrities in their 40s discussing a musical act that peaked sometime in the mid-1990s," **David Sims** writes in **The Atlantic**. With the help of both artists and critics alike, the host then breaks down each band's specific sound to try and pinpoint that special "something" that their fans can't get enough of. The podcast features tons of cool stories, all of which will only make your heart grow fonder of the genre. **Questlove Supreme**Want to up your musical IQ when it comes to pop culture icons? Look, we were in the same, hesitant boat. In fact, it delves into the history and stories behind some of the best country songs of the 20th century. **Photo Courtesy: iHeartRadio** Sure, you'll get plenty of cool stories about country legends, like **Johnny Cash** and **Patsy Cline**, but you'll also learn about the political and cultural climates that helped shape certain iconic songs, allowing you to understand them in a whole new way. **MORE FROM ASK.COM** "It is that; it's also, somehow, so much more." Full of passion and hilarity, this digression-filled trip down the R.E.M. discography rabbit hole is a real joy to listen to no matter your knowledge of the band. Host and creator **Hrishikesh Hirway** has conversations with artists and then edits out his side of the dialogue before airing each episode, with the aim of keeping the focus solely on the music. **Photo Courtesy: Song Exploder** You'll leave each episode with a whole new take on each song after learning about the creative process behind its inspiration and production. **Photo Courtesy: Jeff Kravitz/FilmMagic** for Clusterfest/Getty Images; **Rodin Eckenroth/FilmMagic/Getty Images**; **mvdrc/E+/Getty Images** Looking for a great new podcast to play in between your favorite playlists? But we can now assure you that **Scott Aukerman** (**Comedy Bang! Bang!**) and **Adam Scott**'s (**Parks and Rec**, **Big Little Lies**) **R U Talkin' R.E.M. Re: Me?** A true Renaissance man at heart, **Folds** is not only a **New York Times** best-selling author and musician, but a killer host, too. Although there are a near-endless amount of music-centric podcasts out there, we've rounded up some of the best to help you get started. Some of the podcasts you'll find here are geared towards specific genres of music, while others take a wider approach, delving into other creative ventures as well. While liner notes may now be a thing of the past — or, at least, not the first thing fans dig into when listening to a new release — the podcast **Broken Record** is all about restoring that lost conversation between artists and their audiences. **Photo Courtesy: Frazer Harrison/Getty Images** for Spotify The crew behind **Broken Record** is almost as impressive as the podcast's high-profile guests. To spark conversations about the creative process, **Song Exploder** has proven to be so fascinating that it's also been turned into a Netflix documentary series.**R U Talkin' R.E.M. Re: Me?**You might be wondering why a podcast dedicated to R.E.M. is worth the listen, especially if the band doesn't really resonate with you. The podcast does a great job of spanning multiple genres; in addition to the aforementioned bands, the podcast has also covered **Lil' Kim**, **Dave Matthews Band**, **Blink 182**, and **Steely Dan**.**Turned Out A Punk**If you're a die-hard punk fan, look no further for your new favorite podcast: **Turned Out A Punk** is the show for you. This podcast is hosted by **Damian Abraham**, who was once the lead singer of a critically acclaimed punk band himself. **Photo Courtesy: Jordi Vidal/Redferns/Getty Images** A self-proclaimed punk obsessive, **Abraham** chats with guests from all walks of life to find out how their lives were forever changed once they discovered punk. More recently, **Aukerman** and **Scott** have delved into another beloved band in the podcast **U Talkin' Talking Heads 2 My Talking Head**.**Sound Opinions**Ever wish you had more friends who were as into music as you? **Spotify's Bandsplain** is dedicated to finding out why. **Photo Courtesy: Spotify** Throughout each episode, host **Yasi Salek** delves into a specific band using a specially curated playlist. If you're a music lover, then you've come to the right place.
